Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) The complete vitamin B complex is composed of two primary divisions, Cataplex B and Cataplex® G; each with complimentary actions.
- (2) Cataplex B contains different components of the B complex that are stimulatory to the metabolic, cardiovascular, and central and peripheral nervous systems.

These statements are made for a dietary supplement containing a proprietary blend of bovine liver, nutritional yeast, porcine duodenum, beet (root), carrot (root), dried beet (root) juice, choline bitartrate, rice (bran) extract, defatted wheat (germ), bovine adrenal, oat flour, soybean lecithin, mixed tocopherols, ascorbic acid, manganese lactate, inositol, and riboflavin. Other ingredients include honey, niacinamide, potassium para-aminobenzoate, calcium stearate, arabic gum, cocarboxylase, and pyridoxine hydrochloride. And the name of the product is Cataplex® B.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
